

HANDBOOKS

- 1.0 The Board of Education authorizes the building administrators to develop handbooks, including student handbooks, that may inform students, parents and staff of pertinent Board policies, regulations, school rules and procedures.
- 2.0 The contents of handbooks must be consistent with Board policies and reviewed annually.
- 3.0 The Superintendent/or designee will review handbooks and authorize their release for publication.
- 4.0 In the event that contents of handbooks do not fully conform with the Board's policy, regulations, state and federal laws and/or regulations, such contents will be superceded by the Board's policy, regulations, state and federal laws and/or regulations.
