

GIFTED AND TALENTED EDUCATION

- 1.0 The Board authorizes the Superintendent to develop and implement identification instruments, selection criteria, and procedures that will ensure that gifted and/or talented students are challenged and develop their potential.
- 2.0 Specialized, individualized programs to challenge students and further develop potential will be prescribed and implemented.
- 3.0 Programs will be designed to meet the needs of individual students, and will fully utilize existing educational programs in order to provide the least restrictive educational environment while maintaining social relationships and social development.
