

ASSIGNMENT OF STUDENTS TO SCHOOLS

- 1.0 Building administrators, with the assistance of teachers, shall determine all placements of pupils.
- 2.0 Pupils with prior schooling outside of the system will normally be placed initially in the level they have reached elsewhere, but demotions and promotions may be made at the time of entry in extreme cases where strong indications of advantages to the pupil are present.
- 3.0 All retentions and accelerations shall be approved by the Superintendent or his assistant.
