Greetings,

My name is Edward Buckley and I will be serving as the High School Assistant Principal this year. I am very excited to be at Scarborough High School and can't wait for the students and staff to return and the start of the new year.

Previously, I have worked in education for 28 years, 8 as a teacher and 20 as a school administrator, most recently in the Portland and Falmouth School Systems where I taught and worked with at-risk students at the high school and middle school levels. My administrative experience was at all levels from K-12 and I believe that supporting students and helping them achieve their goals is our main focus and mission. In addition, I hold a Masters Degree in Educational Administration from the University of Southern Maine and am a strong advocate for lifelong learning.

Personally, I live in Portland and have two sons: Connor who is an incoming freshman at the University of New England and Griffin, who is a Junior at Portland High. I have a dog named Trooper and my outside interests include many sports and playing guitar. I am very much looking forward to getting to know everyone at Scarborough High School and know that we are going to have a great year.

Best regards,

Edward Buckley
