Concessions

Scarborough Rotary will be running this year's event concessions. Please make sure to bring your appetite as their budget-friendly menu will be hard to beat. All of the proceeds assist Rotary Club with all of the good will they do throughout the community!

Cardboard Sled Races

Back by popular demand! Participants must bring their own cardboard sleds and will be judged on most decorative and farthest distance traveled. A tractor will offer hayrides from the ice rink to the sledding hill.

Kids' Carnival Corner

New this year on the Wentworth sports field, participants will get the opportunity to try their skills at several carnival games. Participants will receive a raffle ticket for each game played and be entered into a raffle for prizes at the end of the event.

Wood Carving Demo

New this year is our first ever chainsaw wood carving demo. Saco & Biddeford Savings Bank has graciously sponsored Riverside Wood Carving to demonstrate how to carve a bear out of a block of wood. Be sure to stop by and see this art transformation!

Some of the events may be weather and ice dependent. Subject to change day of event.

Thank you to all of our Sponsors, Benefactors, and Donors who helped make WinterFest 2018 possible!
