

Is your child between the ages of 5-9
and interested in joining a swim team?

Check out the
Portland Porpoise Swim Club!

Our Futures Group is designed for young swimmers with an interest in competitive swimming, but they're not quite ready. Your child will benefit from:

- Experienced coaches
- Small class sizes
- Stroke development for competitive swimming
- Fun and rewarding team experience

Give it try! Practices are 1-2 days a week. Depending on your swimmer's proficiency, practices range from 30-45 minutes. Choose from **Monday and Wednesday** evenings or **Saturday** mornings.
